Dear Sir:

Applicants submit herewith two(2)sheets of Form PTO/SB/08A listing the patents and publications of which they are aware and which they desire to have considered by the Patent Office in accordance with 37 CFR §1.97. In accordance with 37 CFR §1.97(b)(1), this Information Disclosure Statement is being submitted together with the filing of the above-identified application.

In accordance with 37 CFR §1.97(h), the filing of this Information Disclosure Statement will not be regarded as an admission that any patent or publication or combination of patents referred to herein is, or is considered to be, material to patentability under 37 CFR §1.56(b) unless specifically designated as such.

A list of the patents and publications enclosed herewith is set forth on the attached 2 pages of Form PTO/SB/08A.

Copies of references AA-BP are not enclosed herewith, as they were previously cited or submitted to the Office in prior application of Serial No. 10/274,068, filed October 17, 2001. Should the Examiner be unable to locate any of the references, he is invited to contact the undersigned attorney and copies of the references will be provided.

The person making this statement is the attorney who signs below on the basis of the information supplied by the inventor and the information in his file.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jacob E. Vilhauer, Jr.", is written over the typed name and title. The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
